Title: Kindred Activity Vol. 2

Author:

After a serious battle
with the vampires
tonight in PaxLair,
I was approached
by the vampire
Daeron of Ungol.
He said, "tell they
mortal
Dauthi, not to rest
easy. This eve was
won by they
numbers. But
Gehenna comes soon.
We have 4 of the 5
items of power saught
by Mazrim and
indeed he walked
amongst thee.
Gehenna comes
SOON. E'en as none
couldst seize mine
fangs, soon we shall
be unstoppable. Woe to
the mortals then.
Behold...(you see faint
images of screaming
forms can be seen
within the glass) I do
not speak idle
boasts.The four
objects Daeron of
Ungol did show me
were objects Ihad
never in my life seen
before. I fear
something may
happen soon!!! If the
fifth item falls into
the vampires hands,

we may all be doomed.
